Executive Director – Head of New Branch Support

Dear Jeremy,

We are pleased to submit our Statement of Qualifications for your review. Phoenix Construction & Management (PCM) specializes in Retail and Commercial TI projects throughout California. We believe our proven track record of delivering high-quality projects and within budget, makes us a strong fit for your upcoming needs.

By way of background, PCM has been serving the California market for over 24 years, specializing in retail banking, tenant improvements, and building renovations. Additional strengths that PCM brings to each project include:

- Significant Tenant Improvement experience (Retail and Commercial TI)
- Hands-on involvement by the partners
- Extensive experience working in occupied spaces
- Women-Owned Business Enterprise (WBE) and certified by CA DOT

The depth of experience and active involvement of our executive team distinguish PCM from our competition. Through our collective experience as owners, design professionals, and builders, we bring a well-rounded perspective that adds exceptional value to the project team. This insight allows us to anticipate challenges early and help prevent costly issues before they arise.

Our size allows us to remain responsive and accessible while also meeting the rigorous vetting standards of major corporate clients. PCM has successfully met stringent requirements related to financial strength, safety programs, data security protocols, and performance history. Our clients include:

- Common Wealth Partners
- Bank of America
- US Bank
- Wells Fargo
- MUFG
- Manufacturers Bank
- Farmers and Merchants

We sincerely appreciate your consideration and look forward to the opportunity to discuss how PCM can bring value to your upcoming projects. Please feel free to contact Tom Bell at (213) 435-2806 or myself at (213) 435-1812 with any questions or to schedule a meeting.

Respectfully,

Rick Coleman

I. COMPANY OVERVIEW

Phoenix Construction & Management, Inc. provides general contracting, construction management, and program management services. In addition, we offer our clients specific as-needed services such as budget and schedule development, cost estimating and reporting, design and constructability reviews, and on-site inspection.

A primary focus of our work is retail banking, where we have developed a strong specialization and a comprehensive understanding of financial facility requirements. We partner with financial institutions, architects, and program managers to deliver high-quality renovations and build-outs that meet operational security and branding standards unique to financial institutions. While retail banking remains a core area of expertise, our experience also spans building and historical renovations, corporate offices, law firms, retail environments, financial services facilities, medical offices, entertainment spaces, and adaptive re-use projects. Phoenix Construction has been proudly serving Southern California for 24 years and is certified as a Women Business Enterprise (WBE).

II. EXECUTIVE TEAM

Molly Zbojniewicz, Partner & Client Relations: Molly Zbojniewicz is the founding partner of Phoenix Construction & Management (PCM), a Women Business Enterprise specializing in tenant improvements and corporate rollouts. With 30 years of experience, she has held senior leadership roles with firms like McClier (AECOM), Koll Construction, and Tishman Construction, managing commercial projects—especially for financial institutions—through pre-construction planning, contract administration, consultant coordination, and client relationship management.

Rick Coleman AIA, LEED, Partner & Pre-Construction Services: Rick Coleman is a licensed architect with over 25 years of experience in architecture, construction management, and real estate development, specializing in commercial office, tenant improvement, library, and medical projects. He previously served as Vice President for a national development firm managing \$1.5 billion in assets and now leads pre-construction planning, budgeting, scheduling, approvals, and overall project management, building and directing high-performing teams.

Tom Bell, Project Executive: Tom Bell brings extensive experience in tenant improvements and general construction for financial institutions and retail environments nationwide. He provides value-added project management services, leveraging his strong expertise in construction and engineering, along with schedule and budget oversight and quality control.

Doug Brown, Project Executive: Doug Brown brings over 27 years of experience in commercial construction, specializing in tenant improvements and commercial renovations with budgets up to \$21 million. He excels in project execution, team leadership, budgeting, scheduling, client relations, and field coordination, consistently delivering successful results through decisive leadership and strong project management.
